

The logo for Mercury Lighting features the word "MERCURY" in a bold, white, sans-serif font. The letter "M" is partially enclosed by a white circular arc on its left side. Above the word "MERCURY", the word "LIGHTING" is written in a smaller, yellow, sans-serif font. Three small yellow triangles are positioned around the text: one on the left side of the circular arc, one between the "M" and "E" of "MERCURY", and one at the bottom right of the "Y".
